

Bleach, Space

I don't need to hear your case.
I don't want to run away.
I know what it takes to turn the tables.
if you'll just let me in your space.

I don't want to be your priest.
I just want to be your friend.
I'm not here to laugh at you.
Or condemn.

And He can see where you're going.
And He can take care of you.
There's always room for the Savior.
Even when there's only you.

You don't want to hear my case.
You wish I'd just go away.
I've got something that you need to turn the tables.
If you'll just let me in your space.
