

Bleach, Write It Down

I'll write it down
All that I've lost I'm collecting my thoughts
And some paper and pencil will do
If you're not listening now
I'll write it down
I'll sing a song for you
This my confession you are my obsession
And nothing else will do
If you're not listening now
If you're not listening now
I'll write it down
And all of the doors have been locked
And the world is sleeping in
I think I've had quite enough of this
The time has come for it to end
We'll live again
So here's an envelope addressed to you
I hope it has a chance of getting through
