Bleak, Raindance

outside i stand and pray for something... that will make me feel so... alive... alive... and so refreshed again the rain, it lingers, and i, and i... and i, and i, just don't know how i feel and i, and i, just don't know how i feel and i, and i, just don't know how i feel and i pray for rain the clouds drift straight towards me and something... stirs deep inside me the sky, the sky... stares deep inside me the rain, it pours, and i, and i... and i, and i just pray for rain and i pray for rain
