

Bledsoe, Sante Fe

Oh now I say I don't wanna feel this way
Oh may I say I don't wanna be this way
On a day like today I'd give anything for another day

Now may I say I don't wanna die this way
Oh and I say I don't wanna live this day

Oh all ok now watch me break away all ok

Oh now I say I don't wanna feel this way
Oh may I say I don't wanna be this way
Oh and you say you're leaving me today
For Santa Fe watch another sky today
