

# Blero, You took my love

You could have been everything to me. Every little thing you dreamed but you walked out of us and p  
ref: You took my love for granted baby. And now you walk around acting like you hate me. You too  
So many times I thought I could trust in you and never doubt but you proved me wrong again I'm co  
refren.....

I could trust you! I am telling you You could have been everything to me. that's right.  
You could have been everything to me but you walked out of us. i am telling you.  
refren.....
