

# Bless The Fall, I Wouldn't Quit If Everyone Quit

I felt so anxious.  
For what we had in store  
But then you took that away,  
For your dreams and your desires,  
That I couldn't provide  
I've got my hopes, I'm a fighter  
I won't answer what you need answered,  
I won't say a word, (I won't say a word)  
And I, I won't say a word (I won't say, anything),  
Bury me in ecstasy and take the pain away  
Oh, you've gotta be kidding me  
Oh, you've gotta be kidding me  
Oh, you've gotta be kidding me  
Oh, you've gotta be kidding me  
Oh!  
I won't answer what you need answered,  
I won't say a word, (I won't say a word)  
And I, I won't say a word (I won't say, anything),  
Bury me in ecstasy and take the pain away  
I'm just selfish!  
I won't retreat  
I won't retreat  
I won't retreat  
I won't retreat
