

Bless The Fall, Take Me Now

this conversation didn't mean anything to you
this conversation
don't mean a thing
this conversation...
did I mean anything to you?
did you even care?
this conversation
didn't mean anything to you.
did you even....
this con....
did you even..
this conversation didn't mean a...
it doesn't even matter.
it didn't matter to you and...
you don't even care.
and you didn't even change
take me now.
just take me now.
