

Bless The Fall, We'll Sleep When We're Dead

Let the light shine in.
Cause We're not alone.
We're Not Alone.

Let the light shine in.
Cause We're not Alone.
We're Not Alone

(We will tear away)
This awful feeling,
lets start the bleeding.
(We will wash away)
(All of Your doubt)

This will be the last time that.. You're never going to hurt again.

I'll never sing this song without you. (Without you)

Remember the way that it felt. You're never going to hurt again.

I'll never sing this song. Remember the day.

Remember. Hide your mischiefed art.

We're taken aim. (We're taken aim) And We won't believe in. (Hide your) Mischiefed arts. We're tak

We won't believe in. (We will tear away)

This awful feeling, lets start the bleeding. (We will wash away) (All of Your doubt)

This will be the last time that.. You're never going to hurt again.

I'll never sing this song without you. (Without you)

Remember the way that it felt. You're never going to hurt again.

I'll never sing this song. Remember the day.

Remember.

Let your, light shine in tonight, tonight, tonight.

All alone is where we've been before.

All alone is where we started. All alone is where we've been before.

All alone is where we started. (All alone is where we've been before)

(All alone is where we started) (All alone is where we've been before)

(All alone is where we started) We'll be testing the mortals, We'll be testing the mortals. And bringin

We'll be testing the mortal, We'll be testing the mortals. (And bringing hell in our water) And bringin
