

# Bless The Fall, With Eyes Wide Shut

I know I'm not there to hold you  
Look up, see the sky that I do  
You make me the happiest of men  
I am the happiest of men  
And if God takes me before you  
I just want you to know, I love you  
And you made me the strongest of all men  
I'll remain the happiest of men  
I miss you, baby close your eyes  
Let's meet in our dreams tonight
