

Blessed By A Broken Heart, Don't Stop

Don't stand still
Or life will pass you by
You're getting weaker
You're getting weaker
And I
Wont wait for tomorrow
I made up my mind
We're running out
We're running out
Of time
Together
We will conquer
The impossible baby
Don't stop
Baby don't stop
Till you feel the burn
Baby don't stop
Just don't stop
Nothing
Will stand in our way
If our hearts are aflame
On the move
Pushing it to overdrive
I'm getting stronger
I'm getting stronger
And I
Won't forget
The reason for my life
I won't wither away
I won't wither away
And die
Push it
To the limit
