

# Blessid Union of Souls, If She Could Sleep

As I lie awake, in the other room  
I could probably stay awake until noon time  
So frustrating knowing what could be  
What's even worse is she used to belong to me

As I toss and turn, there's nothing I can do

But if she could sleep maybe we could make up  
But I just can't seem to wake her up this time  
Oh no, if she couldn't sleep  
I know she'd tell herself maybe she might need  
A little time to stop her heart from bleeding so  
Like me, I wish she couldnt sleep

8am and she's not at home  
Stayed out all night wonder if she's all alone or  
With someone new and she wont even call  
To ease my mind just to help me break the fall

Now I'm felling all the things I put her through  
But if she couldn't sleep maybe we could make up  
But I just cant seem to wake her up this time  
Oh no, if she couldn't sleep  
I know she'd tell me herself that she might need  
A little time to stop her heart from bleeding so  
Like me, but I guess she's doing fine  
I wonder is she knows she's on my mind
