

Blessid Union of Souls, If She Couldn't Sleep

As I lie awake in the other room
I could probably stay awake til noon time
So frustrating knowing what could be
What's even worse is she used to belong to me

As I toss and turn there's nothing I can do

But if she couldn't sleep maybe we could make up
But I just can't seem to wake her up this time
Oh, no If she couldn't sleep
I know she'd tell herself maybe she might need
A little time to stop her heart from bleeding so
Like me, I wish she couldn't sleep

8AM and she's not at home
Stayed out all night wonder if she's all alone or
With someone new and she won't even call
To ease my mind just to help me break the fall

Now I'm feeling all the things I put her through

But if she couldn't sleep maybe we could make up
But I just can't seem to wake her up this time
Oh, no If she couldn't sleep
I know she'd tell herself that she might need
A little time to stop her heart from bleeding so
Like me, but I guess she's doing fine
I wonder if she knows she's on my mind
