

# Blessid Union of Souls, Storybook Life

Said to myself  
I'm the man  
Got a pocket  
Full of money  
Certs in my mouth  
In case my breath  
Gets kinda funky  
Saw a hottie  
Staring right at me  
She kinda looks  
Like the chick  
Who did the video  
With Tommy Lee  
Oh man is she  
Coming over  
I gotta get this show  
On the road  
Yea Yea Yea  
She said  
Where have I  
Seen you before  
If you didn't like  
That one wel  
I got about 20 more  
I need a mack  
Diggedy daddy  
Take me out  
In his caddy  
We can kick it  
Til the briggedy  
Briggedy break of dawn"  
I said It sounds like fun  
But I ain't widdit  
But if you're a good boy  
I just might let you uhh-ummm  
I said hold my hand  
Because I ain't about the  
Wham bam thank you ma'am  
I hope ya understand that

I don't want  
Britney tonight  
And Salma  
Yea she's alright  
And I've seen Buffy  
And she don't slay me  
Cause baby you're  
Just the type  
Stay up and talk  
To all night  
Would you be  
The star in my  
Storybook life  
My storybook life

I drove her home  
And she was feeling  
Kinda frisky  
I told her nighty night  
And then she asked  
If she could kiss me  
She said  
Don't you wanna  
Spend the night

And then she  
Bit me on the ear  
I felt like I was  
In a Tyson fight  
Oh God she's losing  
Control now  
So I said  
I just want  
Someone to hold  
Yea Yea Yea

Mariah she ain't for me  
That brunette on V.I.P.  
She don't hold  
A candle to you  
Cause baby you're  
Just the type  
Stay up and  
Talk to all night  
Would you be  
The star in my  
Storybook life
