

Blessthefall, Five Ninety

Keep all the memories (all they mean to me)
Close to you
Keep all the memories (all they mean to me)
Close to you
It so hard for me to let go of you
But I'm coming back, I'm coming back
To all the reason that I've been waiting for
She said I'm going quickly
It's getting harder to keep my head above
I've never known all the answers (never)
But I'll find a way, I'll find a way to forget
It so hard for me to let go of you
But I'm coming back, I'm coming back
To all the reason that I've been waiting for
This sun is getting darker (darker)
You've been dying to find your inspiration
Don't leave me, let me find a way
Don't let go, we'll find a way
It so hard for me to let go of you
But I'm coming back, I'm coming back
To all the reason that I've been waiting for
(that I've waiting for)
Keep all the memories (all they mean to me)
Close to you
It so hard for me to let go of you (you, you)
If you are the reason (the reason)
That I've been waiting for
But I'm coming back (coming Back)
'Cause you are the one that I've been waiting for
(that I've been waiting for)
