

Blessthefall, I Wouldn't Quit If Everyone Quit

i felt so anxious, for what we had in store,
but then you took that away
for your dreams and your desires
that i couldn't provide
i've got my hopes i'm a fighter
i won't answer what you need answered
i won't say a word, i won't say anything
so bury me in ecstasy and take the pain away.
o, you've gotta be kidding me
i won't answer what you need answered it's so unfair
i won't say a word, i won't say anything
i'm just selfish
i won't retreat.
