

Blessthefall, With Eyes Wide Shut

I know I'm not there to hold you
Look up see the sky that I do
You make me the happiest of men
I am the happiest of men

And if god takes me before you
I just want you to know I love you
And you made me the strongest of all men
I'll remain the happiest of men

(The happiest, the happiest, the happiest of men) [x2]

You made me the happiest of men
I'll remain the happiest of men

I miss you
Baby close your eyes
Let's meet
In our dreams tonight
