

Blessthefall, Witness

Look into my eyes
Tell me your alive
Look into my eyes
Can you hear me now?
Can you hear us now?
Speaking the words that would never cross your mind
Can you see us now?
Hope you fail, and forced to bury the bodies
And you can't live without it
I'm in your head
I won't forget
Your love is dead
And you've got nothing left
Your promises
Have all been broken
Surely as day
We're so better off
Surely as day
You're on
Can you hear us now?
Speaking the words that would never cross your mind
Can you see us now?
Hope you fail, and forced to bury the bodies
And you can't live without it
And you can't breathe without it
And you can't live without it
(Don't try so hard)
Your a liar, you don't need to breathe
You said, we're done
(We see right through you)
Can you hear us now?
Speaking the words that would never cross your mind
Can you see us now?
Hope you fail, and forced to bury the bodies
And you can't live without it
And you can't breathe without it
And you can't live without it
