

Bleu, Somebody Else

What if I was alright?
What if I wasn't wound so tight?
What if I had the balls to be bad?
Would you still look at me like that?
Would you be mad that I had held the old me back?

Why can't I be somebody else?
Somebody who isn't too cool to believe it's okay to be just me

Maybe I was too much
Maybe I'll take it down a notch
Maybe I'll have the guts to go mad
Maybe I'll mess me up real bad
Maybe I'll make you wish you had the old me back

Why can't I be somebody else?
Somebody who isn't too cool to believe it's okay to be just me

What if I can't remember who I'm trying to be?

Why can't I be somebody else?
Somebody who isn't too cool to believe it's okay to be just me
Just me...
