

Blind Faith, Do What You Like

(Ginger Baker)

Do right, use your head.
Everybody must be fed.
Get together, break your bread.
Yes, together, that's what I said.
Do what you like.

Don't fight, use your head.
It's all right every night.
Do what you like, that's what I said.
Everybody must be fed.
Do what you like.

Open your eyes.
Realize you're not dead.
Take a look at an open book.
Do what you like, that's what I said.
Do what you like.
