Blind Guardian, Bard's Song

Now You all know The bards and their songs When hours have gone by I'll close my eyes In a world far away We may meet again But now hear my song About the dawn of the night Let's sing the bards' song Ref.: Tomorrow will take us away Far from home Noone will ever know our names But the bards' songs will remain Tomorrow will take it away The fear of today It will be gone Due to our magic songs There's only one song Left in my mind Tales of a brave man Who lived far from here Now the bard songs are over And it's time to leave Noone should ask You for the name Of the one Who tells the story Ref.: Tomorrow will take us away Far from home Noone will ever know our names But the bards' songs will remain Tomorrow all will be known And You're not alone So don't be afraid In the dark and cold 'Cause the bards' songs will remain They all will remain In my thoughts and in my dreams They're always in my mind These songs of hobbits, dwarves and men And elves Come close Your eyes You can see them, too
