

Blind Guardian, Bright Eyes (Acoustic)

Fool just another
Fool just another

I've been waiting
For signs of god

Create- enslaved- behaved-
I'm out of control
get lost in a cold world

Leave me alone
Isolation bears hope
There's something else waiting
A promised destiny
Freezing me
I feel restless and low
These days full of sadness
Had joyfully changed into fear

My freak show will start tonight
Don't miss the right time

Bright eyes
Blinded by fear of life
No Merlin is by my side

And it cracked inside,
It possessed and fagged my mind
The lord of darkness takes my soul
And when I left the light it seemed so easy
Everything is out of control

Hey, mother stubborn
I really hate you
If you say yes I will say no
Ashes to ashes
But dust won't be dust
If you go there
I will go back

Bright eyes
Blinded by fear of life
Betrayed by sunrise
Bright eyes
Blinded by fear of life
No Merlin is by my side

(solo)

Hey, father stubborn
You're Yin
And I'm young
I feel alone
Who really cares
Born into ashes
To lose all the games
With a smiling face

Bright eyes
Blinded by fear of life
And dark dragons rise
Bright eyes
Blinded by fear of life
No Merlin is by my side

So I sit in my room today
Winter's here
In summer season shall I say
I was wrong
If I'm right
Farewell to my last hope
