

Blind Iris, Drive

I wanna live like James Dean
I wanna die a superstar
I wanna ride like Christine
I wanna drive the devil's car
I wanna live like James Dean
I wanna die a superstar
I wanna car like Christine
I wanna ride!

Like a timb bomb ticking
This town has got me tripping
and I know it's my time to fly
So I'll cruise with the moon
and I'll listen for the boom
when her thunder and the night collide
I don't know what I'll find

but I know what I've seen
a broken home ain't a place to be
So I'm leaving all I know
to hit the open road
I'll drive until I'm free

Drive
I'll spread my wings and fly
Drive
Let the sunset fill my eyes
Drive
I'll ride until I'm free
Drive
as I say goodbye yesterday

This is my last goodbye
