

# Blindspott, Nil By Mouth

(And now, for my next number, I'd like to return to the classics)

This time when I feel myself up in her  
Even though I don't want to  
And one side of me says kill her  
But that just won't do  
So I say we're through  
So I say we're...

Stop and stare what the fuck you don't know me  
Stop and stare what the fuck you don't know me  
(I DON'T KNOW WHY)  
Stop and stare what the fuck you don't know me  
Stop and stare what the fuck you don't know me  
(I DON'T KNOW WHY)

I think it's time to pack your things let's go  
To a place where we both know  
And don't worry, I'll drive real slow  
Spend some time before we go  
Spend some time before we go  
So I say we're...

Stop and stare what the fuck you don't know me  
Stop and stare what the fuck you don't know me  
(I DON'T KNOW WHY)  
Stop and stare what the fuck you don't know me  
Stop and stare what the fuck you don't know me  
(I DON'T KNOW WHY)

Get up in your face with a sickness a quickness  
Dialect I inject, will we be up tongue kissing all night  
To make you feel right  
So I say we're through  
It doesn't sink in to you, oh please don't make me hate you

But that just won't do, so I say we're through

Stop and stare what the fuck you don't know me  
Stop and stare what the fuck you don't know me  
(I DON'T KNOW WHY)  
Stop and stare what the fuck you don't know me  
Stop and stare what the fuck you don't know me  
(I DON'T KNOW WHY)
