

# Blink-182, A New Hope

I've got her in my head  
At night when I go to bed  
And I know it sounds lame, but  
She's the girl of my dreams

And of course I'd do anything for her  
I'd search the moons of Endor  
I'd even walk naked through  
The deserts of Tatooine

Princess Leia, where are you tonight?  
And who's laying there by your side?  
Every night I fall asleep with you  
And I wake up alone

And even though I'm not as cool as Han  
I still want to be your man  
You're exactly the kind of  
Alderranian that I need

But when you were available, I was  
Drinking Colt 45's with Lando  
I was hanging out in the cantina  
On Mos Eisley

Princess Leia, where are you tonight?  
And who's laying there by your side?  
Every night I fall asleep with you  
And I wake up alone

Princess Leia [2x]

Princess Leia, where are you tonight?  
And who's laying there by your side?  
Every night I fall asleep with you  
And I wake up alone
