

Blink 182, Alone

what were doing here, now no one knows
the thoughts, the things that i dont know
images all but a mind blur
your laughter has drived you here
you can do what you want to
i need some time alone
between what answers there is
i need some time alone
dont talk to me
dont notice me
dont talk to me
dont notice me

images all but a mind blur
your laughter has drived you here
not in the mood, not just to justify
and not to think of what a lie
you can do what you want to
i need some time alone
between what answers there is
i need some time alone
dont talk to me
dont notice me
dont talk to me
dont notice me
