it.

[Mark] Yeah, you might as well act like you wanna hear it, cuz otherwise we'll play it twice.

[Tom] Yeah, you bastards. Song goes like this.

[Music Starts]

It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
