Blink 182, Carousel

I talk to you every now and then I never felt so alone again I stop to think at a wishing well My thoughts send me on a carousel

Here I am standing on my own Not a motion from the telephone I know not a reason why Solitudes a reason to die

Just you wait and see As school life is a It is a woken dream Aren't you feeling alone?

I guess its just another I guess its just another I guess its just another night alone

Now as I walk down the street I need a job just to sleep in sheets Buying food every once in a while But not enough to purchase a smile

A tank of gas is a treasure to me I know now that nothing is free I talk to you every now and then I never felt so alone again

Just you wait and see As school life is a It is a woken dream Aren't you feeling alone?

I guess its just another I guess its just another I guess its just another night alone
