

# Blink 182, Dick Lips

Please mom  
you ground me all the time  
I know that I was right all along  
And I'm hoping  
Remember I'm a kid  
I know not what I did just havin' fun  
couldn't wait  
for something new  
and yesterday  
I thought of you  
It left me to think as if I couldn't walk away  
it's too late  
I fell through  
Nothing to lose  
a boy who went out when he finished all his chores  
nothing to do  
They can't trust me  
because i blew it once before

Shit dad  
Please don't kick my ass  
I now I've seen you trashed at least one time  
Can i blame it  
on one of my dumb friends  
it's been awhile since I've used that line

You couldn't wait  
for something new  
and yesterday  
I thought of you  
It left me to think as if I couldn't walk away  
it's too late  
I fell through  
Nothing to lose  
a boy who went out when he finished all his chores  
nothing to do  
They can't trust me  
because i blew it once before

(alright)

Nothing to lose  
a boy who went out when he finished all his chores  
nothing to do  
They can't trust me  
because i blew it once before
