

# Blink-182, Feeling This

(Get ready for action!)

I gotta regret right now (Im feeling this)  
The air is so cold and null (Im feeling this)  
Let me go in her room (Im feeling this)  
I wanna take off her clothes (Im feeling this)  
Show me the way to bed (Im feeling this)  
Show me the way you move (Im feeling this)  
Fuck it is such a blur (Im feeling this)  
I love all the things you do (Im feeling this)

[Chorus:]

Fate fell short this time  
Your smile fades in the summer  
Place your hand in mine  
Ill leave when I wanna

Where do we go from here  
Turn all the lights down now  
Smiling from ear to ear (Im feeling this)  
Our breathing has got too loud (Im feeling this)  
Show me the bedroom floor (Im feeling this)  
Show me the bathroom mirror (Im feeling this)  
Were taking this way too slow (Im feeling this)  
Take me away from here (Im feeling this)

[Chorus x2]

This place was never the same again  
After you came and went  
How can you say you meant anything different  
To anyone standing alone  
On the street with a cigarette  
On the first night we met

Look to the past  
And remember and smile  
And maybe tonight  
I can breathe for awhile  
I'm not in the scene  
I think I'm fallin' asleep  
But then all that it means is  
I'll always be dreaming of you

[Chorus x5]

[During Last Two Choruses In The Background:]  
(Are we alone, do you feel it,  
So lost and disillusioned)
