Blink 182, First Date

In the car I just can't wait,
to pick you up on our very first date
Is it cool if I hold your hand?
Is it wrong if I think it's lame to dance?
Do you like my stupid hair?
Would you guess that I didn't know what to wear?
I'm too scared of what you think
You make me nervous so I really can't eat

Let's go, don't wait, this night's almost over Honest, let's make this night last forever Forever and ever, let's make this last forever Forever and ever, let's make this last forever

When you smile, I melt inside I'm not worthy for a minute of your time I really wish it was only me and you I'm jealous of everybody in the room Please don't look at me with those eyes Please don't hint that you're capable of lies I dread the thought of our very first kiss A target that i'm probably gonna miss

Let's go,don't wait, this night's almost over Honest, let's make this night last forever Forever and ever, let's make this last forever Forever and ever, let's make this last forever

Let's go, don't wait, this night's almost over Honest, let's make, this night last forever Forever and ever, let's make this last forever
