## Blink-182, I Guess This Is Growing Up

It's alright / to tell me / what you think / about me I won't try / to argue / or hold it / against you I know that / you're leaving / you must have / your reasons The season / is calling / and your pictures / are falling down

The steps that / I retrace / the sad look / on your face The timing / and structure / did you hear / he f\*\*ked her? A day late / a buck short / I'm writing / the report On losing / and failing / when I move / I'm flailing now

And it's happened once again I'll turn to a friend Someone that understands And sees through the master plan

But everybody's gone And I've been here for too long To face this on my own Well I guess this is growing up

Well I guess this is growing up

And maybe / I'll see you / at a movie / sneak preview You'll show up / and walk by / on the arm / of that guy And I'll smile / and you'll wave / we'll pretend / it's okay The charade / it won't last / when he's gone / I won't come back

And it'll happen once again You'll turn to a friend Someone that understands And sees through the master plan

But everybody's gone And you've been there for too long To face this on your own Well I guess this is growing up

Well, I guess this is growing up Well, I guess this is growing up Well, I guess this is growing up Well, I guess this is growing up Well, I guess this is growing up
