

# Blink 182, I'm Sorry

Don't bide your time  
'Cause it is almost over  
And I know you're down  
And I'll see you around

And I know it hurts  
But you're just getting older  
And I know you'll win  
You'll do it once again

Just yesterday  
It always seemed like such a dream  
We're unstoppable, indestructable  
Nothing happens to our machine

And there's no harm  
At least nothing I can see  
As for you, not so true  
You couldn't choose where his road would lead

What a loss  
You just lost all your sleep  
And we've always thought  
That this could never happen, you see

That it's so hard  
You gotta get up on your feet  
'Cause the only way, I gotta say  
Is to move on through the week

Don't bide your time  
'Cause it is almost over  
And I know you're down  
And I'll see you around

And I know it hurts  
But you're just getting older  
And I know you'll win  
You'll do it once again

Sorry [x16]  
(Sorry...) Happened to you [x4]

Don't bide your time  
'Cause it is almost over  
And I know you're down  
And I'll see you around

And I know it hurts  
But you're just getting older  
And I know you'll win  
You'll do it once again
