

# Blink-182, Man Overboard

"[Mark:]"  
So sorry it's over  
So sorry it's over

"[Tom:]"  
There's so much more that I wanted and  
There's so much more that I needed and  
Time keeps moving on and on and on  
Soon we'll all be gone

"[Mark:]"  
Let's take some time to talk this over  
You're out of line and rarely sober  
We can't depend on your excuses  
Cause in the end it's fucking useless

"[Tom:]"  
You can only lean on me for so long  
Bring your ship about to watch a friend drown  
Stood up on the ledge  
Begged you to come down  
You can only lean on me for so long

"[Mark:]"  
I remember shots, without a chaser  
Absent minded thoughts, now you're a stranger  
Cover up the scars  
Put on your game face  
Left you in a bar  
To try and save face

"[Tom:]"  
You can only lean on me for so long  
Bring your ship about to watch a friend drown  
Stood up on the ledge  
Begged you come down  
You can only lean on me for so long

"[Mark:]"  
So sorry it's over  
So sorry it's over

"[Tom:]"  
There's so much more that I wanted and  
There's so much more that I needed and  
Time keeps moving on and on and on  
Soon we'll all be gone

"[Mark:]"  
Man on a mission  
Can't say I miss him around  
Insider information  
Hand in your resignation  
Loss of a good friend  
Best of intentions I found  
Tight lipped procrastination  
Yeah later  
See you around
