

Blink 182, Man Overboard

So sorry, it's over
So sorry, it's over
So sorry, it's over (There's so much more that I wanted and)
So sorry, it's over (There's so much more that I needed and)
(Time keeps moving on and on and on..)
(Soon we'll all be gone)

Let's take some time to talk this over
You're outta line and rarely sober
We can't depend, on your excuses
Because in the end it's fucking useless
You can only lean, on me for so long
Bring the ship about to watch a friend drown
Sittin out on a ledge, begged you to come down
You can only lean, on me for so long

I remember shots without a chaser
Absent minded thoughts now you're a stanger
Cover up the scars
Put on your game face
Left you in a bar, to try and save things
You can only lean, on me for so long
Bring the ship about to watch a friend drown
Sittin out on a ledge, begged you to come down
You can only lean, on me for so long

So sorry, it's over
So sorry, it's over
So sorry, it's over (There's so much more that I wanted and)
So sorry, it's over (There's so much more that I needed and)
(Time keeps moving on and on and on..)
(Soon we'll all be gone)
Man on a mission
Can't say I miss him around
Insider information
Hand in your resignation
Loss of a good friend
Best of intentions I found
Tight lipped procrastination
Ya, later.....see you around
