

Blink-182, My Pet Sally

Im gonna wanna see myself with something too
friends I don't pay are friends I never knew
so I took a chance and got some help from
few ang got a long and skinny friend to talk to

cuz I had the time and the liberty to play with my new pet Sally please don't go away Sally please

nomore lonely showers and uneaten foods my
salamander has hygiene too and if he thinks of
me the way I think of you the only next step for
him is to say I do

cuz I had the time and the liberty to play with my new pet Sally
P.O I love you
Sally please don't go away Sally please

Sally please don't go away, I won't be living in
yesterday the lonely nights, getting beat beat up
by gays in bar fights
