

# Blink 182, Not Now

Come here, please hold my hand Lord now  
Help me, I'm scared please show me how to fight this,  
God has a master plan  
And I guess  
I am in his demand  
Please save me this time I cannot run  
And I'll see you when this is done  
And now I have come to realize  
That you are the one who's left behind

Please stay until I'm gone  
I'm here hold on to me I'm right here  
Waiting

I see, a light it feels good  
And I'll come back soon just like you would  
It's useless, my name has made the list  
And I wish, I gave you one last kiss

Please stay until I'm gone  
I'm here hold on to me I'm right here  
Waiting and take  
My one last breath, and don't forget  
That I will be right here  
Waiting
