

# Blink 182, Up All Night

Everyone wants to call it, all around our life with a better name  
Everyone falls and spins and gets up again with a friend who does the same  
Everyone lies and cheats their wants and needs and still believes their heart  
And everyone gets the chills the kind that kills, when the pain begins to start

Did I get this straight,  
Do you want me here?  
As I struggle through each and every year  
And all these demons,  
They keep me up all night.  
They keep me up all night  
/2x

Everyone's cross to bears the crown they wear on endless holiday  
Everyone raises kids in a world that changes life to a bitter game  
Everyone works and fights stays up all night to sell the perfect day  
And everyone lives to tell the tale of how we die alone some day

Did I get this straight  
So you want me here?  
As I struggle through each and every year  
And all these demons,  
They keep me up all night  
They keep me up all night

They keep me up all...
