

# Blink-182, Why (What's Goin On?)

Why

Since you were born you watched TV  
cartoons with violence and greed  
in your world all that was OK  
your parents never taught you right  
from wrong, brother taught you to fight  
Now it's time to show them what you've got  
Gotta show them what you've got

An attitude, a fancy car  
your buddies got your back  
your parents' house compared to yours  
looks something like a shack  
in your thirty seven guns  
the bullets spanked red  
a simple stare is all it takes  
to fill 'em up with lead but

Why,  
are you acting like you're someone else?  
Why,  
can't you stop thinking about yourself

Last friday night you went driving  
a stolen car with golden rings  
it was something you just had to do  
your little friends the cops caught you  
you're sentenced for a long time  
now tell me what you're gonna do

in a world where no one cares  
labels i don't wanna wear  
i had a dream that i could once walk  
safely in the streets  
you've got to take it away yeah  
you've got to take it away from me

Why,  
are you acting like you're someone else?  
Why,  
can't you stop thinking about yourself
