

# Blink The Star, Right Kind Of Girl

I want to ride with the sunroof down  
I want to ride till the sun goes down  
I want to drive to the secret hideout  
Because I'm the right kind of girl for you  
We can forget what we learned at school  
There is no right for persistent fools  
And if we keep on driving backwards  
You'll see there's no good and/or bad, my friend  
Down this golden road  
There is something that I must unload  
I'm not a schoolgirl  
I am just a siamese cat with wings  
And I hope that you understand

That I once was a boy or a man  
And it's too late to change the course of history  
But I would like to see you again  
Down this golden road  
There is something that I must unload  
I'm not a schoolgirl  
I am just a siamese cat with wings  
And I say things I don't mean  
Like there's still a shred of truth to be seen  
I'm feeling so high, but I'll take you home if you think that i  
Said too much, much too soon  
But I'd really like to see you again
