

Bliss 66, This The Feeling

I heard every word that your trying to say but maybe its not OK
I see everything that your trying to do but baby
I still know the truth

Aint this the reason that you always give
Aint this the feeling that we always get
Aint this the reason that you always give
Aint this the feeling
Aint this the feeling
Aint this the feeling

I don't want to be the fear that your hiding from but maybe
I could still be the one
I don't want to be the pain that you hold inside cuz baby
its not my time

Aint this the reason that you always give
Aint this the feeling that we always get
Aint this the reason that you always give
Aint this the feeling
Aint this the feeling

I don't wanna be the bed you lay on
I don't wanna be the rope you hang on
I just wanna be with you
I don't wanna be the pills your taken
I don't wanna be the love your fakin
I just wanna be with you
with you, with you
come on come on come on

Aint this the reason that you always give
Aint this the feeling that we always get
Aint this the reason that you always give
Aint this the feeling
Aint this the feeling
