

Blitzkid, The Creature Walks Among Us

Four million years since he last roamed the earth
Four million years since he was cradled in mud
Four million years sleeping is hell on the soul
Four million years feeling nature's due toll

(Bridge)
He's waking
He's rising
And I will welcome him
No one will ever know

(Chorus)
The creature walks among us
Whoah-oh-oh (both lines x4)

(Bridge)
(Chorus)
(Outro)
