

# Blitzkid, The Creature Walks Among Us

Four million years since he last roamed the earth  
Four million years since he was cradled in mud  
Four million years sleeping is hell on the soul  
Four million years feeling nature's due toll

(Bridge)  
He's waking  
He's rising  
And I will welcome him  
No one will ever know

(Chorus)  
The creature walks among us  
Whoah-oh-oh (both lines x4)

(Bridge)  
(Chorus)  
(Outro)
