

Bloc Party, Blue Light

You'll find it hiding in shadows
You'll find it hiding in cupboards
It will walk you home safe every night
It will help you remember

If that's way it is
Then that's the way it is

I still feel you and the taste of cigarettes
What could I ever run to
Just tell me it's tearing you apart
Just tell me you cannot sleep

And you didn't even notice
When the sky turned blue
And you couldn't tell the difference
Between me and you
And I nearly didn't notice
The gentlest feeling

You are the bluest light
