

Bloc Party, One more chance

give me one more chance
give me one more chance
give me one more chance to love you
give me one more chance
give me one more chance
give me one more chance to love you
so open the door
or i'll cut it down
can't you see that i'm trying
don't say another word
about the other boy
can't you see that i'm dying
this time things will be different
and you're gonna see
this time things will be different
and you're gonna see
these hands will come around
you'll love their touch again
this time things will be different
and you're gonna see
give me one more chance
give me one more chance
give me one more chance to love you
give me one more chance
give me one more chance
give me one more chance to love you
