

# Bloc Party, The Girls Are Fighting

Hey, ey, ey  
Hey, ey, ey

Hey, hey, hey  
The girls are fighting  
Hey, hey, hey  
The girls are fighting  
Hey, hey, hey  
The girls are fighting  
Hey, hey, hey  
I do not grieve in early

To write a letter in ☐phonoes on ☐their way  
Lusty Casanova'd ☐be making ice ☐again  
The bouncers made a movie, upload it to Worldstar  
She wants to send a message but she's taking it too far  
There's blood on the dancefloor, extensions on the bar  
I blame the Jagermeister and the vodka lemonade  
And now these boys can't cope

Hey, hey, hey  
The girls are fighting  
And the boys can't cope  
Hey, hey, hey  
The girls are fighting  
And the boys can't cope  
Hey, hey, hey  
The girls are fighting  
And the boys can't cope  
Hey, hey, hey  
I do not grieve in early

How many times will you use the same lines?  
How many man unitil...  
How many? How many?  
He crossed the line he should never have cross  
He promised her things

Hey, hey  
The girls are fighting  
And the boys can't cope  
How many times will you use the same lines?  
Hey, hey  
The girls are fighting  
And the boys can't cope  
How many times will you use the same lines?  
Hey, hey  
The girls are fighting  
And the boys can't cope  
How many times will you use the same lines?  
Ooo, the girls are fighting

The girls, the girls, the girls, the girls  
The boys, the boys, the boys can't cope  
The boys, the boys, the boys can't cope  
The boys, the boys, the boys can't cope  
The boys, the boys, the boys
