

Blog 27, Fuck U

Hey u wats up?
I'm a hell or a scandal
Just deal wid it
Coz` I don`t give a shit
Already found
but still lost somehow
And tell me, tell me how it is
To live so damn like this
To be lost in ur own world, in ur lies
How about, how about
U give me one more chance to figure out
And just to tell ya one thing
Fuck u right now!!
Thanks 4 ma broken heart
Falling down,
deeper and deeper
so innocent
in the same time
I'm addicted
2 him who cares?
I'm wrong but right
In the same time
I don`t get u
So shallow u
And don`t u, don`t u
Even know?!

Ur getting retarded even more
so lost u are I'm sorry 4 u
So now and now better stop
Coz` I guess it`s about the time
You are supposed to face what I gotta say
Fuck u right now!!!
Thanks 4 ma broken heart
Falling down,
deeper and deeper
so innocent
in the same time
Can`t belive what u did to me
something made me
feel so confused
don`t know what to do
Now that ur gone, it doesn`t matte any more
I've been broken, but I'm stronger...
So I guess I was naive
didn`t I predict u leave me here?!

It`s something I can`t explain
Don`t u blame me 4 being this way
You might say, I don`t ey
have a lack of common sense
but I don`t care, I'm still there
No matter what it takes, I'm okay!
Fuck u right now!!
Thanks 4 ma broken heart
Falling down, deeper and deeper
so innocent
in the same time...
