Blonde Redhead, I Don't Want U

I don't want you I don't need you I wanna know... I wanna know how it'd feel without a single confrontation

I don't want you I don't need you I wanna know... I wanna know how it'd feel without a single confrontation

I say, you're good Guide you, got you by maybe, way out wish you Why could we be to be all?

I don't want you I don't need you I wanna know how you feel in a confrontation
