

Blonde Redhead, Kazuality

I want you too shy
one time one two slow
kid and kiss one line
get ahead get inside
i was wrong yes or no
king of skills rubber man
kazuality

i want you to shout
one shout one down slow
dance to the host with ambition
learn to learn open wide
when we meet when we please
get attacked get inside
kazuality

one down one crown
no shame like a fire
timeless fire
that burns
me to you, you to me
old love new idea
