

Blonde Redhead, Mama Cita

I just want someone to pummel me into submission
This incredible fascination will be totally beaten up
I just want someone to slap me right in the mouth
Did you ever get cursed to while you're walking down the street?

I just want someone to pummel me into submission
Cradle the fascination with being totally beaten up
I just want someone to slap me right in the mouth
Did you ever get cursed to while you're walking down the street?

Please me by a door
Bare feet I ???
PLease me by time?
Bare feet I ???
I will...
return NOW!!!

It's the smile that drives them cause of you
they are not fascinated by my eyes
it's the smile that drives them wild
they are not fascinated by my eyes
