

Blondie, French Kissing In The Usa

Love's touch comes to mean so much

Embrasser c'est Francais (*)

Embrasser c'est Francais

Love's way, s'abandonner (**)

Embrasser c'est Francais

Embrasser c'est Francais

Slip into the velvet glove

Parted lips so filled with love

Embrasser c'est Francais

Embrasser c'est Francais

Lips upon forbidden places

Lingering in long embraces

Embrasser c'est Francais

French kissin' in the USA

French kissin' in the USA

French kissin'

French kissin' in the USA

French kissin' in the USA

Lips are in motion

Ocean to ocean to ocean, ocean to ocean to ocean

Paris is calling

Falling, we're falling, we're falling, falling, we're falling, we're falling

Lips close, then blossom like a rose

Embrasser c'est Francais

Embrasser c'est Francais

Lips wide holding you inside

Embrasser c'est Francais

Embrasser c'est Francais

Kisses hard, kisses deep

A kiss to wake us from our sleep

Embrasser c'est Francais

Embrasser c'est Francais

Take your lover by the hand

Speak in tongues and understand

Embrasser c'est Francais

Embrasser c'est Francais

French kissin' in the USA

French kissin' in the USA

French kissin'

French kissin' in the USA

French kissin' in the USA

Lips are in motion

Ocean to ocean to ocean, ocean to ocean to ocean

Paris is calling

Falling, we're falling, we're falling, falling, we're falling, we're falling

French kissin' in the USA

French kissin' in the USA

French kissin', French kissin'

French kissin' in the USA

French kissin', French kissin', French kissin'

French kissin' in the USA

French kissin' in the USA
French kissin' in the USA
French kissin', French kissin', French kissin'
French kissin' in the USA
French kissin' in the USA

P.S I don't speak a word in French but a friend (who's even worse) had it translated for me:
